## North Coast Regional Athletics Carnival

**Congratulations to Ronny, John, Milo and Tyrie** who competed at the North Coast Regional Carnival on Friday. They placed sixth in the P6 relay final. A fabulous effort for a team of Year 5 students. Milo also competed in the junior boy's shot put and did very well, placing fifth overall. Congratulations boys.

## GOMAD Grant

The school was fortunate to receive a \$600 GOMAD Grant from Cascade Environmental Education

Centre. Students are using this to learn about native bees and make some bee motels to put around the school for native bee accommodation.

## Chess Tournament

We have started our 2017 School Chess Tournament. All students are having fun participating. This is a Championship tournament with the overall champion awarded a trophy. The tournament runs from now until the end of term.

## Year 2 to 6 – League Tag

On Thursday the 31 August Years 2-6 travelled on Jim's bus down to Geoff King Oval at Coffs Harbour for the NRL Values Mixed League Tag Gala Day. This day was about having fun and showcasing our skills in league tag and using the four values which are excellence, inclusiveness, courage and teamwork in order to win the shield. Our school had two teams competing, a team of 2-4 and a 5-6. We both played teams from Macksville, Sawtell, Toormina and Sandy Beach. Although the points weren't kept we were able to score some tries, hone our skills and pass the ball through the team. We narrowly missed out on the shield coming second on the day, Miss Atkins said "It was a credit to us, for how well we represented our small school against some of the bigger coastal schools". We all had a great day and would like to thank everyone involved. And also a big cheer to Jim for the soft serve cone on the way home.

## SAKG Gardening & Cooking Term 3 - Week 6

Students started making their bee motels during gardening. We harvested silverbeet, Asian greens, herbs, celery tops and leeks. In the kitchen we cooked vegetable spring rolls, fried rice, stir fried green beans with bok choy and apricot, cranberry and coconut bliss balls. **Thank you to Gail who volunteered in the kitchen.**

## Term 3 Week 7

In the garden students continued making their bee motels and started some early spring planting of seeds and seedlings. We harvested rhubarb, Asian greens, spinach, silverbeet, mint, rosemary, lettuce and other herbs. In the kitchen we cooked roasted pumpkin and green vegetable salad, spaghetti bolognese, garlic bread, rhubarb and apple crumble and bliss balls. **Thank you to Gail who donated the mince for the bolognese and to Michael and Nickey Tyler for a variety of potatoes for planting in our gardens. Thank you also to Gail and Julie who volunteered in the garden and kitchen.**

### Working Bee

A big thank you from Mrs Sangster to the adults Susie, Becky, Darren, Leonie W, Nickey, Kenny, Cassie and the children Joe, John, Lucy N, De'Arna, Darna and Charlotte who volunteered their Sunday morning to work in the garden. We achieved a lot in a short period of time. We dismantled the shade house, repurposing the timber, built a kiwi vine trellis, weeded the bush tucker path, pruned the apple trees and prepared a square for a future play zone. **Thank you to Nick Baff for his generous donation of timber for our new espalier apple garden in front of the 4-6 room and to Jim Freeman for a special delivery of rocks to go at the back of the apple garden.**

### Language

Students have been expanding their Gumbaynggirr vocabulary with Cinnamon Jarrett on Wednesdays. They are learning songs, colours, body parts, family members, greetings and the origin of the word Dundurrabin.

### Science

Students have been having fun dismantling old computers during science and play time to see what is inside and how they work.

### Australian War Memorial WW1 Box

Students were fortunate to view and wear a variety of WW1 memorabilia including uniforms, photographs, hats, medals and even a bullet. The box was on loan from the Australian War Memorial for two weeks.

## Tyringham Waste Station

The following has been received from Clarence Valley Council re the Tyringham Waste Station. Please respond with feedback to the contact email or phone number included.

## Tyringham Waste Transfer Station Proposed Change of Hours and Days of Operation

The Tyringham waste transfer station has been operating two days per week (Wednesday/ Saturday) between the hours of 9 am and 1 pm since the 1 April 2017. Council would like to receive feedback from the community on these proposed days and times before a decision to alter the opening days and times is made. If you would like to provide feedback please e-mail Council at [council@clarence.nsw.gov.au](mailto:council@clarence.nsw.gov.au) or contact Council's Waste Officer on 66430200.
